

White mounts

FOR A MODERN, CLEAN LOOK

With the Chief Kontour® Series, our monitor mounts bring functionality to a workspace while creating a sleek, modern aesthetic. Workstation trends are always changing, and we strive to provide solutions that are contemporary and timely. That's why we're unveiling our new **white Kontour mounts**.

In addition to black and silver, our most popular desk and wall mounts and accessories are now available in white to create a crisp, clean design.
